

## Hornpipe 1 (James Higgins)

*Collected from James Higgins (88) at Shepton Mallet Workhouse by Cecil Sharp Dec 31 1907*

\* No repeats as notated by Sharp, nor any double bar in the middle.  
It would be conventional to repeat each 8 bar section.

## Hornpipe 2 (James Higgins)

*Collected from James Higgins (88) at Shepton Mallet Workhouse by Cecil Sharp Sep 13 1907*

\* As noted by Sharp. We may never know why Higgins stopped at this point.
